CSIR-NEIST celebrated 70th Republic Day

CSIR-NEIST celebrated the 70th Republic Day along with the rest of the country on 26 January 2019 with much zeal and enthusiasm. A flag hoisting programme was held in front of the administrative building which was attended by CSIR-NEIST staff members along with their families in large numbers. Er SC Kalita, Chief Scientist & Scientist-in-charge, CSIR-NEIST inspected the Guard of Honour and unfurled the National flag. CSIR-NEIST security personnel and students from KV-NEIST took part in the parade, followed by the address from Er Kalita. Speaking on the occasion, Er Kalita called upon everyone to take the responsibility to protect the sovereignty and integrity of the country and to actively contribute in the growth and development of the nation. He further briefed some significant contributions made by CSIR and the Institute in science & technology and encouraged all to continue their efforts to keep the organization’s as well as the Institute’s flag high. As a part of the celebration, sweets were later distributed to the children. In the later part of the day, various sports activities were held at CSIR-NEIST’s playground where all the family members of the CSIR-NEIST, Jorhat actively took part. The Scientist-in-charge distributed the prizes to winners of various competitions.
