NB:

Fees: As per institute Guidelines.

Minimum Duration: The minimum period of training for non-engineering courses is two (02) months. Students who cannot spare minimum 02 months for the training will not be allowed for the training programme. However, the period of two months is exempted for engineering students. Students are requested to contact HRD, RPBD of our institute for any clarification. They may alternatively contact their respective guides, if they wish to change the starting date of the training / project work. The selected students will be communicated through email.

(A) A large number of Students applied, however all of the students couldn't be accommodated. The following are the ground for non-selection:

- (a) Laboratory space constraint at our institute;
- (b) Application not received in proper format;
- (c) Application not accompanied by forwarding letter from the Head of the Department / Institute / College; and Educational certificates not enclosed
- (d)

(B) Selection of students is done purely on merit, with exception for the wards of employees of the institute. The students who are selected for Winter Training / Project Work, are requested to report to the HRD Group of the Institute along with the following:

1. Original ID card issued by their colleges / universities in which they are studying
2. Original certificates and mark-sheets from Matric onwards.
3. Passport size photograph of the students

(C) No further enquiry or canvassing for selection of students will be encouraged.
